

Osaka survives to enter last 8

Melbourne, Feb 14: So good for so long lately, Naomi Osaka was just one point from the end of her lengthy winning streak, one point from leaving the Australian Open with a loss to Garbie Muguruza. Bleak as things looked for her late in a big-hitting matchup of Grand Slam champions and former No. 1-ranked women, Osaka never wavered, erasing two match points and grabbing the last four games to edge Muguruza 4-6, 6-4, 7-5 at Rod Laver Arena in the fourth round Sunday.

The third-seeded Osaka returns to the quarterfinals of a tournament she won in 2019 for one of her three major trophies. Osaka ran her winning streak to 18 matches a run that included a U.S. Open title in September and

put a stop to Muguruza's own fine form of late. Heading into Sunday the second day of the tournament without any spectators, because of a local COVID-19 lockdown two-time major champion Muguruza had been broken only once in this Australian Open. She had dropped a total of 10 games through three matches. But Osaka broke her five times and won 17 games in all in a contest featuring entertaining baseline back-and-forth play and terrific serving by both on a cloudy day with the temperature in the mid-60s Fahrenheit (high teens Celsius). Osaka, a 23-year-old who was born in Japan and moved to the U.S. with her family when she was 3, now faces unseeded 35-year-old Hsieh Su-wei of Taiwan with a semifinal berth at stake.

Lanka blames India, cancels trilateral project with Japan

Colombo, Feb. 14: Sri Lanka has said it scrapped the trilateral deal with India and Japan to develop the Colombo Port's Eastern Container Terminal (ECT) as the Indian firm involved in the project refused to agree to its new terms.

Prime Minister Mahinda Rajapaksa's office on February 1 said that his government has decided to run the Colombo Port's Eastern Container Terminal (ECT) as a fully-owned operation of the state-run ports authority.

Answering the Opposition's query in Parliament on Thursday on the deal, Ports Minister Rohitha Abeygunawardena said a Cabinet sub-committee appointed to examine the deal had proposed new terms.

"We entered talks from a favourable position to us, then that company refused to go ahead with our conditions," Abeygunawardena told Parliament, adding that the Indian company's refusal forced Sri Lanka to scrap the deal.

India, Japan and Sri Lanka had inked an agreement in 2019 on development of the terminal project.

"The governments of India, Sri Lanka and Japan had signed a memorandum of cooperation in May 2019 to develop and operate the East Container Terminal of Colombo Port in

a trilateral framework," Ministry of External Affairs spokesperson Anurag Srivastava said at a media briefing in New Delhi on February 4, three days after Colombo cancelled the deal.

"We sincerely believe that the development of infrastructure in Sri Lanka, in areas such as ports and energy, with foreign investment from India and Japan will be a mutually beneficial proposition," he said.

Srivastava said the Indian High Commissioner in Colombo was in talks with the Lankan government on the issue.

On Friday, India said its interest to participate in the Colombo port project is a long standing one as most of the goods handled at the facility are from and to India.

"We had, in principle, agreement from the Sri Lankan government in this regard," Srivastava said in New Delhi, evading a reply to a question whether Sri Lanka offered India a project to develop the western container terminal project in Colombo port instead of the ECT.
